

Application No. 10/606,622
Amendment under 37 CFR 1.312

Customer No. 01933

REMARKS

Entry of this Amendment under 37 CFR 1.312 is respectfully requested.

ALLOWABLE SUBJECT MATTER

The Examiner's allowance of claims 1-13 is respectfully acknowledged.

THE CLAIM AMENDMENTS

Claim 1 has been amended to correct a minor grammatical/clerical error at line 14. In addition, claim 1 has been amended to clarify the feature of the present invention whereby the printing apparatus according to claim 1 comprises a control section that repeatedly alternately performs: (i) an operation that causes each created print data to be printed on the recording medium by one printing operation of said print section in a state that the rotation of said rotation support section is stopped, and (ii) an operation that causes said rotation support section to be rotated by the set rotation angle before a next printing operation of said print section is started according to the set operational condition.

Still further, method claim 10 and program claim 13 have been amended in a similar manner to apparatus claim 1.

Application No. 10/606,622
Amendment under 37 CFR 1.312

Customer No. 01933

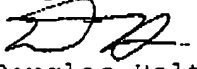

The necessity of amending the claims was not discovered until the claims were reviewed after receiving the (first action) Notice of Allowance.

It is respectfully submitted that the amendments to the claims are required for proper protection of the invention, and it is respectfully submitted that the amendments to the claims do not raise any new issues with respect to patentability. Accordingly, it is respectfully submitted that the amended claims remain in condition for allowance.

It is respectfully submitted, moreover, that the amendments to the claims do not require a new search and/or further examination, and should not require any substantial amount of additional work on the part of the Patent Office. Accordingly, it is respectfully requested that the amendments to the claims be approved and entered under 37 CFR 1.312.

If the Examiner has any comments, questions, objections or recommendations, the Examiner is invited to telephone the undersigned for prompt action.

Respectfully submitted,

Douglas Holtz
